In this guide:

- ✔ Step-by-step plan to study abroad

Ayush, University of Southern California -2015

Hotcourses India took equal pains and effort in the application process like me and guided me in every small step with dedication. Right from deciding colleges, preparing documents, applying and receiving decisions; they were always beside me...

Ujjwala, Arizona State University, 2015

Hotcourses has been a great sport for my overall application procedure. Before coming across Hotcourses website, I used to think that the whole procedure of application was very cumbersome. But now with the help of their counselor I have got admitted to ASU and most of the Universities to which I applied...

Vaibhav - Wayne State University, 2015

The time I called Hotcourses help line I had not yet started with my GRE preparation. "It is said that if the sailor of the ship does now know where the shore is, the boat is going to circle the sea". My Ship was in hands of Hotcourses and they made sure that I reach the shore...

**Your step-by-step plan
to study abroad**

2016 JUL-SEP

- ▶ Research and shortlist the course and University that you want to study.
- ▶ Start preparing for IELTS or GRE tests as required.

2016 OCT-NOV

- ▶ Finalise the list of Universities you want to apply to. Start applying for scholarships.
- ▶ Take your study abroad tests - GRE, GMAT, IELTS etc.
- ▶ Start preparing your SOP and ask for recommendation letters.

2016/17 NOV-JAN

- ▶ Get ready with application materials (Resume, SOP, LOR, Transcripts/Financial, Documents/Certificates etc..) to be sent to the Universities.
- ▶ Start applying to Universities.

2017 FEB-APR

- ▶ You should have applied to Universities by now.
- ▶ You'll start receiving admission letters from Universities.
- ▶ Get the I-20 and prepare for visa interview.

2017 MAY-JUL

- ▶ Get ready financially.
- ▶ Apply for a visa and attend the visa interview.

2017 AUG-SEP

- ▶ Ideally, you should have been granted admission to your university and you would be on your flight headed to your university!
- ▶ Good luck!

Together, Let's make study abroad simple!

Choosing the right University and course could be the two hardest decisions you have ever had to make - especially when you are looking to study in a foreign country. This is what will shape your career! Hotcourses India has all the tools you will need to help make an informed decision - from course selection to University application.
